Exploring inequalities in caring: grandparents' experiences of kinship care from multiple perspectives

The seminar will explore issues related to older kinship carers from different perspectives – research, personal experience, an NGO organisation, and a practitioner. In particular, it will highlight the link between kinship carers and inequality, in relation to age, gender and location.

The keynote speaker is Dr Anna Tarrant, University of Lincoln

The seminar will take place on
Wednesday 7 June 2017, from 10am to 1 pm
in **Room 0G/074, Lanyon Building,**
Queen's University Belfast
The event will be followed by a light lunch

The event is free, although places are limited and so must be booked in advance.

If you would like to book a place, please email e.gray@qub.ac.uk by 31 May

This seminar is also supported by Keele University
