**SECTION 7:** Background

Finally, I would like to ask you some background questions about yourself. These enable us to check that we have obtained a proper cross section of the Northern Ireland public. They also allow researchers to analyse whether there are differences in attitude between different groups of people. I must stress that the survey is confidential and that before the data is passed on by us for analysis all names and addresses are deleted. It is therefore impossible to identify any individual or their responses
