Issues covered include attitudes to existing law on abortion, whether the law should be changed and in what circumstances, and views on the criminalisation of abortion.

This event is free of charge, but places need to be booked by Friday 9 June, by emailing d.coey@ulster.ac.uk

The Life and Times Survey is an annual survey recording the attitudes of the public of Northern Ireland to a wide range of social issues. The 2016 survey included questions relating to respect, good relations, minority ethnic groups, migrant workers, political attitudes and BREXIT.

Full results of the 2016 survey will be available on the Life and Times website on 16 June at www.ark.ac.uk/nilt
