

Kids' Life and Times 2026

Hello and welcome to the Kids' Life and Times survey!

Some of the teachers at Queen's University Belfast and Ulster University are carrying out a survey on what children think about school and whether they feel healthy and happy in their lives. There are no right or wrong answers to the survey questions - just give your opinions!
We don't need your name so no-one will know who you are.

If you are happy to do the survey, then please click 'Yes' below.

If you don't want to do the survey, that's OK, click 'No' below.

Thank you for agreeing to take part in the survey. First there are a few questions about you and then we ask the opinion questions. Ask for help from your teacher if you do not understand a question. You can skip any question you do not want to answer.

Please enter your school's KLT ID (your teacher will give you this).

Is this your school:

Name and address of the school appears and the child confirms that it is their school
