

Kids' Life and Times Survey 2026 – Troubleshooting Guide

What is the Kids' Life and Times survey?

Kids' Life and Times (KLT) is an annual survey of all P7 children in Northern Ireland covering issues important to children today. The survey consists of an online questionnaire lasting about 20 minutes which is completed by the children in school. The overall purpose of the survey is to inform relevant organisations of the views of children and to give children a voice in issues that affect them.

Further background information and instructions on how to take part in the survey are available in the Instructions for Teachers document on the KLT website at: www.ark.ac.uk/klt/teachers.

When will the survey be available online?

This year's survey will be available online from **9.00am on Monday 2 March 2026 until 5.00pm on Friday 17 April 2026**.

Protection and Confidentiality of Data

Names are not required on the questionnaire so no individual child or school can be identified. We take the protection and confidentiality of personal and sensitive data very seriously and will ensure that all processing is done in accordance with the UK General Data Protection Regulation (GDPR) and Data Protection Act 2018. The KLT privacy notice is available at www.ark.ac.uk/klt/pn26.pdf. Ethical approval for the survey is obtained from Ulster University's Research Ethics Committee.

What questions will be in the survey?

This year's survey includes questions on school, integration, social media and wellbeing. Please ensure that the principal and/or relevant teacher(s) reads through the questionnaire before the children participate and, if there are any queries, contact us for clarification. The survey can be found at www.ark.ac.uk/klt/teachers.

Who needs to give consent for the children to take part?

Please give each child in the class an **opt-out form** to take home to their parent/guardian. If their parent/guardian **does not** want them to participate, please ask them to return the form to you as soon as possible (the forms do not need to be sent back to us). Please ensure that any child whose parent/guardian has returned the opt-out form does not take part in the survey. At the start of the questionnaire, each child will also be asked if they want to take part in the survey – they do not have to take part if they do not want to.

Where do I get the opt-out parent consent forms?

Opt-out forms have been sent to your school; however, you can also download and print out the form from www.ark.ac.uk/klt/teachers. You can also email the opt-out form to parents.

Can I get the opt-out forms in other languages?

Yes – please email Dr Jonny Hanson (Assistant Survey Manager) on j.hanson@qub.ac.uk. Alternatively, you can contact us via telephone on **028 9097 5970** or **028 9536 7759** to request translations of the opt-out forms for parents and we will send these to you.

Where do I find the School KLT ID to access the survey?

To enable pupils to begin the survey, the children are asked for a KLT ID. Each school has a unique **KLT ID, which is used to access the survey**. Your School's KLT ID is printed on the letter sent to the principal of your school and on the teacher's instructions mailed to each school. You can find a full list of schools and school numbers at the end of this document.

If I have any queries or technical problems, how can I contact the Kids' Life and Times team?

You can contact us by telephone on **028 9097 5970** or **028 9536 7759**. If no one is available to take your call, please leave a message and one of the team will get back to you as soon as possible. You can also contact us by email: j.hanson@qub.ac.uk, martina.mcknight@qub.ac.uk or e.early@ulster.ac.uk

Thank you for taking part in the survey. The results will be available on the KLT website later in the year.
