Some people feel a sense of belonging to their neighbourhood because they have things in common with other people living there, for example there might be other families with young children or there might be people of the same religion. Other people feel a sense of belonging just because they know their neighbours and people say hello to them in the street. Sometimes people don't feel that they belong because other people in the neighbourhood are very different to them.

69.	Thinking about this immediate neighbourhood, the kind of place it is at the kind of people who live around here would you say that you feel a sense of belonging to this neighbourhood? We will be running another Young Life and Times Survey next year. Is there anything that you think we should be asking about life in Northern Ireland?
The results of this survey will be available in Spring of 2014. If you would like an invitation to the launch of the findings, please tick this box \square and fill in your contact details below.
If you would like a summary of the results, please tick this box \square and fill in your contact details below.
If you would like to be involved in the planning of next year's YLT survey, please tick this box \square and fill in your contact details below.
